### **TTC customers qualify for Knorr Bremse direct account rebate on product purchased through TTC**

Truck & Trailer Components (TTC) are pleased to announce that any direct account Knorr Bremse rebate customers will now qualify for rebate on any Knorr Bremse purchases made through TTC.

Knorr Bremse understand customers often need to purchase their product through wholesalers rather than direct, and TTC, a leading CV aftermarket supplier, stock one of the largest ranges of Knorr Bremse product in the UK, at their specialist Air Brake Centre in Lincoln

As an authorised Knorr Bremse wholesaler, TTC can offer the following benefits:

- competitive prices in-line with market place expectations
- high levels of fast moving and strategic stock in key locations. They offer the complete range of KB products for the UK market.
- regional van delivery service often enabling a same day supply. They also offer an overnight service if you are outside of their regular delivery routes,
- full support of KB UK. In the unlikely event that there is a problem we will react in the same way as if you purchased the product direct.
- any distributors on a rebate contract with KB, as of 1<sup>st</sup> December 2010 the purchases of any KB products from TTC will count towards your current KB direct rebate target (ends 28 February 2011)\*

For more information please visit [www.ttcuk.co.uk](http://www.ttcuk.co.uk) or email [emma\\_anderson@unipart.co.uk](mailto:emma_anderson@unipart.co.uk)

\* Please note that KB will only pay rebate on the purchases made directly by the Distributor, The part numbers purchased via the authorised Wholesaler will be considered at the Distributor's KB net purchase price level.

**Editors notes:**

TTC is the truck and trailer component distribution arm of the Unipart Group, which employs more than 10,000 personnel worldwide and has an annual turnover of more than £1billion. It is a leading full service logistics provider and consultant in operational excellence operating across a range of market sectors, including automotive, leisure, marine, manufacturing, mobile telecoms, rail, retail and technology, Unipart offers a breadth of services from third party logistics to expert consultancy.

Established more than 30 years ago, TTC has grown to become the leading independent brand in commercial vehicle parts and accessories in the UK and gained a well-earned reputation in the UK CV parts aftermarket for product quality, personal service and excellent product availability. TTC offers its customers the most comprehensive catalogue in the industry with product lines for the LCV, truck, trailer and PSV sectors, all easily accessible through a network of specialist CV parts distributors to all areas in the UK and Eire.
