TTC support UK aftermarket distributors with extensive Arvin Meritor product range and low delivery charges

Truck & Trailer Components (TTC), the largest UK aftermarket supplier of Arvin Meritor product is pleased to announce the continuation of its **FREE delivery charge for all orders over £75** of Arvin Meritor product carried at the TTC Air Brake Centre in Lincoln.

In order to improve productivity and effectiveness of weekly stock shipments to UK aftermarket distributors, Arvin Meritor have implemented a minimum order value of **£500** on all stock orders, effective from 1st February 2011. If a distributor's order does not meet this minimum order value, the order will incur a handling and shipping charge of **£50**.

In addition to this, Arvin Meritor will also apply a handling charge of **£35** for all **VOR** orders as from 1st February 2011.

TTC are committed to supporting its customers with the continuation of its **FREE delivery charge for all orders over £75** of Arvin Meritor product carried at Lincoln. The TTC Air Brake Centre carries over 2,000 lines of Arvin Meritor product, including the Hydraulic range and an extensive Air Spring range on a UK wide Next Day delivery service and Same Day delivery service to the Lincolnshire, Midlands and Yorkshire areas.

Distributors can also rely on the dedicated Air Brake Centre customer service team for all Arvin Meritor specific technical queries.

For more information please contact the TTC Air Brake Centre customer service team on 01522 695560.

Editors notes:

TTC is the truck and trailer component distribution arm of the Unipart Group, which employs more than 10,000 personnel worldwide and has an annual turnover of more than £1 billion. It is a leading full service logistics provider and consultant in operational excellence operating across a range of market sectors, including automotive, leisure, marine, manufacturing, mobile telecoms, rail, retail and technology, Unipart offers a breadth of services from third party logistics to expert consultancy.

Established more than 30 years ago, TTC has grown to become the leading independent brand in commercial vehicle parts and accessories in the UK and gained a well-earned reputation in the UK CV parts aftermarket for product quality, personal service and excellent product availability. TTC offers its customers the most comprehensive catalogue in the industry with product lines for the LCV, truck, trailer and PSV sectors, all easily accessible through a network of specialist CV parts distributors to all areas in the UK and Eire.
